

NEWSLETTER PRESTIGE GOLFSHIRE CLUB

Dear Reader

February crept up very quickly on us and it has nearly passed us by already and being a short month March is only around the corner and along with it warmer temperatures and summer.

The golfing world has been very busy since our last communication with the International Series event in Delhi having been played earlier this month with some LIV players taking part in the event.

Bryson DeChambeau, Anirban Lahiri, Wade Ormsby, Joaquin Niemann, Abraham Ancer and several other LIV players committed to the event held at the DLF course which was part of the Asian Tour. American player Ollie Schneiderjans won the tournament with a score of -10 and being one of only four players that were under par for the four days.

Meanwhile in the US the newly founded TGL indoor event put together by Tiger Woods and Rory McIlroy got under way and although there were some minor hiccups with the set up of the all simulator event and now that the NFL season has finished the TV ratings have gone up for overall viewing, especially when Tiger or Rory are playing.

On the PGA Tour, the talks between LIV and the Tour are apparently continuing in a very positive manner and we may see some notable changes in the coming months. There is no doubt that this process will be ongoing at least through this year and the number of players on the PGA Tour may have to change to allow the LIV players access again to the main tour.

The LPGA Tour kicked off its season in Florida in late January at Lake Nona where the weather was nothing short of horrendous and cold for that part of the world and the girls had to endure temperatures of 8 degrees celsius and strong winds. A Lim Kim from South Korea was victorious shooting a tournament score of -20.

Local Professional Avanni Prashant played in her first event on the LET in Morocco earlier in the month and finished in a very strong 17th place in her first appearance as a full time player on the LET.

Golfshire has hosted two events over the past month with the Callaway Sweepstakes and the Back on Black event which returned to the calendar this year. The Sweepstakes was won by Saravanan Neel with a score of 37 points and the Back on Black back tee challenge won by Ramesh Kalanji with a score of 41 points.

Our new Driving Range project is well underway and we expect to have this facility up and running before the year end.

The clubhouse renovation is progressing and we should see some of phase one open by mid March including the men's locker room and concourse with the conference rooms, gym and swimming pool by May.

We look forward to welcoming everyone to our new look clubhouse and to savour and enjoy the upgraded facilities.

Callaway Sweepstakes 2025 - January Round

On Friday 17th of January 2025 the Prestige Golfshire Club hosted the January round of Callaway Sweepstakes 2025.

A field of 99 golfers competed on the tournament, Total of three rounds will be hosted this year from January to March, winner from each round will get a Callaway Apex iron set.

Saravanan Neel with 37 Points was the winner followed by Nagraj MS with 40 points Better Back 9 and Vittal Bhandary with 40 points.
