

FEBRUARY 2024

NEWSLETTER

PRESTIGE GOLFSHIRE CLUB

Welcome to our new look Newsletter and updates from the **Prestige Golfshire Club**

We hope that you take the time to read the content of this newsletter and find it informative and helpful. It will cover all aspects of our business including **Golf, Food & Beverage, Agronomy, Golf Equipment, Golf Travel, Events and Membership Information.**

We will also be giving our readers the opportunity to win prizes each edition of the newsletter. The Prestige Golfshire Club is about to start a new Clubhouse renovation with the work planned to begin in mid March 2024. The clubhouse upgrades will not only enhance the overall experience for our members and residents, but also our guests visiting the club to play golf or simply visiting to enjoy the amazing meals prepared by **Chef Manish and his team.**

The golf course renovation will be staged in several phases with the initial work beginning in the Multi-Purpose room and the office area and conference rooms to the right of the clubhouse entrance. Over the next twelve months we will continue to renovate the clubhouse but at no stage, will we be closing the clubhouse or the restaurant other than the usual Monday closure.

On Monday March 4th we will begin the Annual Course renovations and the course will remain closed for the Monday and Tuesday reopening on Wednesday March 6th. The greens will have been cored and sanded and the fairways cored and brushed. Preferred lies will be in place on the fairways. This is the annual renovation that all golf courses do to maintain the turf conditions throughout the year. We expect the complete recovery time to be 24 days. Please read on and enjoy the articles in our new look Newsletter.

Regards,

Declan McCollam
General Manager

CALLAWAY SWEEPSTAKE 2024 ROUND 2 RECAP

Golfers gathered with high spirits on February 16, for the 2nd round of the Callaway Sweepstake Tournament 2024, showcasing their skills in a day of friendly yet fierce competition.

Winner: Sonam Chugh, with a net score of 39. This impressive achievement netted Sonam a set of custom-fitted Callaway irons, personalized to her specifications at the Callaway Fitting Studio.

Runner-up: HVM Murthy came in with a net score of 42 on a count back.

Second Runner-up: Malahar also scored a net 42 but was beaten on the count back.

The event has proven to be very popular and with the winner taking away a Callaway prize with a value of over ₹1.1 Lakh. The next Callaway Sweepstakes is scheduled for Friday March 1st.

GOLF COURSE RENOVATION MARCH 2024

On Monday 3rd March we begin our Annual Golf Course renovation of the greens, fairways, tees and surrounds. This renovation will take 2 days to complete the green coring and topdressing which will leave the greens rolling slower than normal and somewhat bumpy, which is normal after a renovation.

The reason for the coring is to remove the compaction in the greens as well as allow for air and nutrients to enter the sub surface profile allowing for better drainage, root growth and soil conditions.

The fairway coring will not be top dressed, instead the cores are removed the core holes left open and the material that is pulled out during the coring is mown and disintegrates acting like a top dressing.

The benefit of Paspalum Grass is that there is no fear of contamination from one grass to another as Golfshire is wall to wall one grass type.

We expect the full recovery time for the greens to be 21 days, which is quicker than normal, but due to the warmer weather the regrowth on the greens should be very quick.

This program is very important and must be carried out each year. We thank you for your understanding during this renovation period, we know that you will benefit from this long term with better playing conditions.

NOORI CHICKEN

FALCON GREENS RESTAURANT AND BAR

INGREDIENTS

- 200gm Boneless Chicken thighs
- 100 gm chopped ginger
- 3 tablespoon olive oil
- 1 lemon
- Salt according to taste

FOR COATING

- 1 cup panko bread crumb
- 1 Noori sheet thin slice julienne cut
- Vegetable oil for frying
- Serve with sweet chilly dip
- For garnish – gari (pickled ginger)

HOW TO PREPARE

- in a blender add ginger, olive oil blend and make paste add salt, lemon juice according to taste.
- Marinate the chicken Refrigerate at least 1 hour, but preferably overnight.
- bread crumb, Noori sheet mix together in bowl.
- Take each marinated chicken piece and coat it with panko Noori crumb.
- Heat the vegetable oil in frying pan to around 175 -190 C.
- Carefully place the coated chicken piece into hot oil. Fry the chicken until it's golden brown and cooked through.
- Served with pickle ginger and sweet chilly dip.

ALOK KUMAR SINGH

Congratulations to Alok Kumar Singh, has been promoted to F&B Manager!

We're excited to announce Alok Kumar Singh has been promoted to F&B Manager of the Falcon Greens Restaurant and Bar. Alok began his journey with us in 2013 as a F&B Executive and has since been an integral part of our team, consistently exceeding guest expectations with his dedication.

Previously serving as Assistant F&B Manager, Alok's hard work and commitment have not gone unnoticed by management, and these have earned him this well-deserved promotion.

Please join us in wishing Alok the best of luck in his new role. We are confident he will continue to elevate our dining experience with his leadership.

PING G430 10K MAX DRIVER

Ping Golf released the new G430 10K Max Driver at the PGA Show in Orlando in late January. The new driver is called MAX 10K because it eclipses the 10,000 g-cm² combined MOI threshold, setting a record and making it the straightest and most forgiving driver ever. A fixed backweight, our largest head profile, and a Carbonfly Wrap crown help G430 MAX 10K launch the ball higher with less spin for consistently longer and straighter results.

The G430 Max 10K is available in multiple shaft flexes and models including the Ping Alta, Mitsubishi Kai Lai and Aldila Hazardous Smoke, Test the new G430 Max 10K now and experience a whole new level of straight high launch drives. Contact the Golf Shop for more Ping Fitting information.

CALLAWAY PARADYM AI SMOKE DRIVER

Callaway has come out with all new Paradym Ai Smoke family this year with Ai Smart Face, collecting Data from Actual Golfers (not robots), from millions of data points. With new technology, big claims and using over 250,000 real golf swings to design the clubhead for ultimate forgiveness. The Smoke drivers has Ai Face Optimization creating Micro Deflections which controls face flex to optimize Speed, improves Launch and reduces Spin from every spot on the face. Callaway calls it 'Sweeter from Every Spot'.

The 360 Carbon Chassis is more efficient. Despite no longer being entirely carbon, Callaway has added some titanium supports to the Paradym Ai Smoke's chassis. It's perhaps counterintuitive but the refined design allowed Callaway to save six grams because it was able to use thinner carbon fiber.

Callaway has simplified the range this year and as a result has done a great job with the Paradym Ai Smoke Max driver range. There is a good choice of heads and lofts so there should be something in there for everyone. The Ai Smoke looks and sounds a lot better than the last couple of models and most importantly delivers on the claims for more distance and forgiveness. This could be a strong contender this year for a lot of golfers who is looking for that perfect driver for themselves.
