PRESTIGE GOLFSHIRE CLUB

RYAN FOX
2026 OPEN CHAMPION

Dear Golfers and Friends

It has been a busy time for us here at the Prestige Golfshire Club with all of the renovation work and upgrades to the golf course.

Ben Mclean and his team have been busy over the past two months with a full golf course renovation and then an upgrade project on the lakes on hole 1 & 2 and the ongoing new bunker project as well as the Driving Range and Maintenance facility projects.

As we move around the golf course you will see that the bunkers have been totally rebuilt with new drainage, liners, new sand and in some cases new design on the lines of the bunker edging. This project has been in discussion over a couple of years with the owners and architect as to how this would be carried out and what materials and methods would be used for the bunker drainage and lining.

Ben and his team have done a great job with the project work here and we are very grateful to the ownership group headed by Faiz Rezwan for agreeing to complete the upgrade for the enjoyment of all golfers.

We are now half way through the Prestige Masters Series for 2026 with three legs completed and 30 players having earned their place in the final in November. By the end of October 60 players will have qualified for the finale in November and over 720 players will have attempted to qualify throughout the year. The winner of the finale will be off to the glorious Pebble Beach Golf Links for the trip of a lifetime thanks to our sponsor Zaggle.

If you haven't yet entered for the August leg of the Masters do so quickly as it fills extremely quickly. Scheduled for Saturday 22nd August please confirm your entry quickly. If you miss out on the August leg the September leg will be held on Saturday 12th September and will open for registration the week beginning August 17th.

The Ping Shootout is scheduled for September 18th and we expect a large field for this event as we do each year. Please be sure to register with the golf shop for this very popular event before it is booked out.

With our Driving Range nearing completion, we are preparing the final touches to this magnificent facility in order to have it ready for you all to experience in the coming weeks. The final opening date is not far away so get ready for something never experienced before in Bangalore that will give practicing and the pure entertainment side of the game a whole new dimension.

This year's major golf events were all wrapped up last month at Royal Birkdale with the playing of the British Open in mid July. It was a very closely fought Open this year with Ryan Fox of New Zealand making an unbelievable birdie on the last hole to secure his first major win.

On the last day there were literally 6 players who could have won the event including world number one Scottie Scheffler as well as Cameron Young and Sam Burns. Tommy Fleetwood made a valiant effort on his home course looking to secure his first major too but came unstuck over the back nine on Sunday finishing in 4th spot. Links golf is always fun to watch and this year's Open was no exception.

We all look forward to 2027 and St Andrews as the Open venue again. There is nothing quite like the Open at the home of golf.

Our own Ayaan Jung was named the BGC Golfer of the Year last month at the Bangalore Golf Club. This is awarded to the player with the most consistent stroke average for the year based on their gross score. No small feat for any golfer. Congratulations to Ayaan and good luck for your future endeavor's in turning pro later this year.

If you haven't yet visited the Falcon Greens restaurant on a Sunday morning for the Breakfast Buffet you are missing out on a very special breakfast experience. Get the family or friends together, make a booking and come out sit on the terrace and enjoy the magnificent spread that Chef Manish and his team puts on each and every Sunday.

Good golfing

3RD QUALIFYING LEG - 2026 PRESTIGE MASTERS SERIES

We kicked off the 3rd Qualifying round of 2026 Prestige Masters Series on Saturday 25th July, 120 golfers took part in the third leg with the top ten qualifier's Akhil Muthanna 37, Anupam Singhi 37, Rahul Melvi 36, ARVIND KUMAR AGRAWAL 35, Nishant Prasad 35, Rohan Mittal 34, Karan Patel 34, Mahesh K 34 (Better Back), Dayamay Tiwari 81 Gross and Sridhar Reddy 76 Gross

BUNKER RENOVATIONS HOLE 9 AND 13

Over the past month, Ben and his team progressively renovating the bunkers across the course, with support from IPI.

The aim is to deliver consistent playability over the long term, reduce ongoing maintenance, and enhance the presentation through a comprehensive bunker renovation.

NEW TEE - HOLE 5

The new tee on the 5th hole has added a new dimension to this Par 5 which now measures 571yds from the back tee. We wanted to add some length to our Par 5s and make them more challenging for the better players. As you can see the carry over the water is now in excess of 220yds off the Black tee, which really does give a whole new look and feel to this beautiful hole.
