PRESTIGE GOLFSHIRE CLUB

Dear Reader

What a few weeks it has been for Indian golf. Local LET Tour Pro Pranavi Urs who hails from Mysore and plays and practices at Golfshire when she is at home won the Ladies Gold Medal at the Asian Games in Japan last Saturday after shooting a four-round total of -15 under par. This was the first time in women's golf at the Asian Games that India has taken home a gold medal.

Overall, the women's team won the silver medal finishing second behind the Chinese team which was also an extremely strong finish for the three girls representing India, Pranvai Urs, Diksha Dakar and Diti Ashok.

This week in Delhi the DP World India Championship tees off at the Delhi Golf Club for the second year running with a star-studded field of Europeans and International players taking part including Rory McIlroy, Shane Lowry, Tommy Fleetwood, Luke Donald, Aaron Rai and Ryan Fox. It will no doubt be a great week to view these top players take on the challenging DGC layout.

Local player Khalin Joshi will be teeing it up also in Delhi after several very strong finishes on the PGTI circuit which included two very convincing wins one of which was at his home club KGA just two weeks ago. We will all be watching Khalin wishing him the best against the worlds best this week in Delhi.

Although our International Series event here at Golfshire was cancelled due to the demise of LIV Golf, we are looking forward to 2027 to see what it brings us in the way of International Tour events.

We expect some international events to come south next year and with the new range now open and in play we hope to see Golfshire being one of the clubs on the radar of the international tours.

With so much uncertainty around the future of LIV Golf and with the DP Tour announcing this week that any player remaining on the LIV tour in 2027 will not be allowed to compete at all on the DP Tour nor the Ryder Cup.

This leaves the likes of Tyrrel Hatton, Tom McKibbon, Elvis Smylie, Bryson de Chambeau and Cameron Smith a lot to think about, if LIV 2.0 even gets off the ground their playing schedules will be very curtailed. Jon Rahm has already made the decision to return to Europe and play on that tour and regain his playing rights in the US in the near future.

Now that our Driving Range is open, we look forward to welcoming all guests to the range and enjoy all that we have to offer our members and guests going forward.

Don't forget, if you have a credit card that takes golf bookings you will also be able to access golf lessons on those cards also. Ask your bank for further details. We will be happy to take bookings via this format.

We can also custom fit you for new clubs at the range in the fitting studio with Ping, Callaway and Titleist fitting equipment. Please contact the Golf Shop if you wish to be fitted for new clubs and to make an appointment.

The Prestige Masters Series qualifying legs for 2026 wrap up this coming Saturday.

The top 60 qualifiers will progress to the series final on Nov 21st with the winner heading to Pebble Beach for the golf trip of a lifetime courtesy of Golf Tripz. We have also increased the Hole in One prize for the series final compliments of Royal China Restaurant.

We thank everyone that competed this year in the Masters series but didn't quite make it to the series final. Next year isn't that far away and we look forward to making the event even more exciting in 2027.

There are many more events on the horizon and the Callaway Sweepstakes will take place starting in January.

Last month in Hilton Head South Carolina the Prestige Golfshire Club was awarded Clubhouse of the Year 2026 Remodel Private award at the Golf Inc summit. This is the first time a club in India has received the award and is a testament to the Prestige team led by Mr Faiz Rezwan in delivering something very special to the golf industry in India and Asia.

We look forward to seeing you all at Golfshire very soon and don't forget to come and visit the new Driving Range which is now open for business.

Good golfing

OUR NEW DRIVING RANGE IS NOW OPEN

The Academy of Golf at the Prestige Golfshire Club will consist of multiple undercover hitting bays and a Swing Analysis & Fitting Studio. The Club Fitting Studio will comprise of a Foresight GC Quad Launch Monitor and Golf Coach Swing Analysis system to assist golfers of every level.

The floodlit range will be open to Members and the general public six days per week Tuesday to Sunday.

Individual golf tuition, group tuition, corporate clinics and Junior golf programs will be on offer continuously. Our Golf Professionals and coaches have many years experience teaching golf to players of all levels.

There is a grass tee area that is 60m wide and can accommodate 25 players at a time when in use.

The range measures 340 yds from the middle of the grass tee area to the back boundary fence with six target greens complete with bunkers to sharpen your game. The short game area consists of two practice areas, one for putting and the other for bunker play, chipping and pitching. The range has an automated ball dispensing machine located at the end of the hitting bay area, tokens for the machine can be purchased from the Golf Shop or at the range itself.

Each hitting bay has a seating area storage table and club rack to store your golf bag and a power point for the players convenience when your phone may need charging. WiFi is also available.

Each Bay will have an InRange monitor installed by Mid November where players will be able to see how their shots are performing and also obtain all types of swing and ball data.

We look forward to welcoming you the driving range and assisting you with your game.
